

Diversity, Equality & Inclusion

At Crown Lodge, we believe that every love story is unique and deserves to be celebrated with dignity, joy, and respect. We are proud to provide a welcoming and inclusive setting for all couples and their guests, and we are deeply committed to fostering an environment where everyone feels valued, respected, and able to be themselves.

We embrace diversity in all its forms. This includes, but is not limited to, race, ethnicity, nationality, culture, religion, gender identity, gender expression, sexual orientation, age, disability, and socio-economic background. We recognise that weddings are deeply personal occasions, often shaped by cultural traditions, faith, family, and individual identity. Our team is dedicated to honouring and supporting these differences, working closely with each couple to ensure their celebration reflects who they are.

We proudly welcome LGBTQ+ couples and are committed to creating a safe, affirming, and joyful space for all identities and relationships. Love is love, and we celebrate it without exception.

Accessibility and inclusion are central to our approach. We continually strive to make our venue and services as accessible as possible, accommodating a wide range of needs so that all guests can fully participate in and enjoy each celebration. Where adjustments are required, we are always ready to listen and adapt.

Our commitment extends beyond our couples and guests. We aim to work with suppliers, partners, and team members who share our values of equality, respect, and inclusion. We expect everyone associated with Crown Lodge to contribute to a positive and welcoming atmosphere.

We also recognise that inclusion is an ongoing journey. We are committed to listening, learning, and improving, ensuring that our practices evolve to reflect the diverse communities we serve.

At Crown Lodge, kindness, respect, and fairness are at the heart of everything we do. We are honoured to host celebrations that bring people together, and we are proud to create a space where everyone feels they belong.
